

Solutions for Business Travel VAT Reclaim

Connect Taxback International to increase your VAT reclaim by up to 50%

Through direct integration with Concur Expense and Concur Invoice, Taxback International helps maximize your VAT reclaim while minimizing your risks.

“We tripled our VAT reclaim in year one after implementing Taxback International.”

Daniel Cole, Global Travel Manager, Electrolux

Taxback International's innovative technology, global expertise and seamless integration with SAP Concur eliminate your VAT burden completely while providing real-time visibility every step.

- **Maximize your reclaim:** increase your current VAT reclaim by an average of 50%.
- **Minimize your risk:** Taxback International's fully indemnified solution means your compliance is guaranteed by us.
- **Optimize your results:** advanced analytics provide 24/7 transparency into your status and prescriptive insights to improve reclaim and compliance every year.

Ensure VAT compliance across the globe.

- Foreign VAT reclaim: recover on average 50% more in VAT from expenses and invoices associated with employees traveling outside their home country for business.
- Domestic VAT reclaim: recover VAT on business expenses from employees traveling within their home country, across 160+ countries. Safeguard your reputation with the tax office with our risk-free, 100% indemnified solution.
- Meals and Entertainment: to ensure compliance with the new Tax Cut and Jobs Act, Taxback International automatically isolates all meals and entertainment expenses and invoices from SAP Concur and provides an itemized, transaction-based report of all transactions that are tax deductible.

MINIMUM EFFORT

- Automated data and image collection captures every transaction with no minimum or maximum thresholds
- Real-time validation powered by artificial intelligence ensures the highest level of successful reclaims possible
- Our in-house multi-lingual VAT experts have professional relationships with Foreign Tax Offices in over 126 countries.

MAXIMUM POTENTIAL

- Real-time analytics provide complete transparency into your maximum VAT potential, recovery and submissions.
- Travel alerts notify employees when & how to maximize their VAT.
- Contingency Fee model: No refund = No Fee

“It took 6 hours to save \$250,000.”

Melissa Marczak, Warner Music Group

To get started, visit Taxback International VATConnect in the SAP Concur App Center and click “connect” to start your free analysis. VATConnect will automatically analyze receipts and invoices and apply the relevant VAT rules for each country — giving you instant insight into your potential refund. By connecting SAP Concur with Taxback International, you save time while ensuring your data is protected according to the strictest privacy policies and data security standards.

“I don’t even invest an hour a month to this. It’s so easy that I sometimes forget it’s working behind the scenes and putting money back into our bottom line.”

Brandon Weiss,
Vice President of Financial Systems & Process Improvement, AEG Worldwide
